

Icon Of Guilt

Extreme Noise Terror

Bound by denial.
Crucified by guilt.
A sacrosanct shroud of masturbation divine.
Down on your knees.
Consecration perverse.
In temptation you drown.
In delieverance you burn.
You beat a crown of thorns.
In prayer your conscience burns.
A sacrosanct shroud of masturbation divine.
You burn, velled in a shroud devout.
You drown, drown in a sea of guilt.
