Strutter

Extreme

I know a thing or two about her
I know she'll only make you cry
She'll let you walk the street beside her
But when she wants she'll pass you by

Everybody says she's lookin' good And the lady knows it's understood Strutter

She wears her satins like a lady
She gets her way just like a child
You take her home and she saysm "Maybe, baby"
She takes you down and drives you wild

Everybody says she's lookin' good And the lady knows it's understood Strutter

But when she wants, she'll pass you by
