Carnage Rider

Exumer

Tread fast my darkness calls I must answer to thee
Lay in this metal pit psychotropic dependency
And now I'm geared to kill every shred of limit gone
You serve my instinct will trust none death ain't wrong

DEMOLITION IN SUCCESSION

And now my spirit's killed every shred of limit gone
You serve my instinct will trust none death ain't wrong

All debts will align forging evil intertwined
All rats will abide forging evil intertwined

Bleed out my heartbeat's lost I crash instantly
Rot in this hellish room gazing cold endlessly
And now I'm geared to kill every shred of limit gone
You serve my instinct will trust none death ain't wrong

DEMOLITION IN SUCCESSION

And now my spirit's killed every shred of limit gone
You serve my instinct will trust none death ain't wrong

All debts will align forging evil intertwined
All rats will abide forging evil intertwined
