

Splinter

Exumer

Black night to Satan I pray dark days I'm rotting away
Wounds open follow decay last exit to hell with today

LEFT FOR DEAD LOST CONTROL
RACING THOUGHTS MENACE TORE
PARALYZED FALLING APART
RAISE THE DEAD NO MORE HEART

Bow down to devils inside they eat my mind alive
Festering sores the need to decode ravished cold my soul erodes

LEFT FOR DEAD LOST CONTROL
RACING THOUGHTS MENACE TORE
PARALYZED FALLING APART
RAISE THE DEAD NO MORE HEART
GOD I'M BROKEN
LIFE IS STOLEN
I'M AN OBJECT
TRY TO FIGHT BACK

Down and out too cruel for this life
Tearing out this cancer inside
Down and out too shrewd for this life
Tearing out this cancer inside

Black nights with Satan I stay dark days I'm rotting away
Wounds open follow decay last exit to hell with today

LEFT FOR DEAD LOST CONTROL
RACING THOUGHTS MENACE TORE
PARALYZED FALLING APART
RAISE THE DEAD NO MORE HEART
GOD I'M BROKEN
LIFE IS STOLEN
I'M AN OBJECT
TRY TO FIGHT BACK
