

# Snake and Scorpion

Exxplorer

Welcome to my void child  
Welcome to a place where nothing grows

I am sickness  
I am disease  
I am worthless, I am nothing  
I am the death of love it seems  
And now I've taught you how to hate me  
Like every other soul,  
I've ever touched before  
And I am sorry  
God I'm sorry

I am the wasteland  
A heart of desert sand  
A servant of lust and her demands  
And I am snake  
I am scorpion  
I am walking evil, a cold and venomous one  
I am, oh I can  
I can only hurt you

I am the wasteland  
I am the wasteland  
I am the wasteland  
I am the wasteland,  
Never love the sand
