

## Guess Who I Saw Today?

Eydie Gorme

You're so late from getting home from the office  
Did you miss your train?  
Were you caught in the rain?  
No, don't bother to explain

Can I fix you a cup of coffee?  
As a matter of fact  
Maybe i'll have one with you because to tell you the truth I've  
had quite the day too

Guess who I saw today, my dear?  
I went in town to shop around for something new  
And thought I'd stop and have a bite  
When I was through

Guess who I saw today, my dear?

I looked around for someplace near  
And it ocured to me where I had parked the car

I had seen the most attractive cafe and bar

Guess who I saw today, my dear?

The waiter showed me to a dark, secluded corner  
And as my eyes became accustomed to the gloom  
I saw two people at the bar who were so much in love  
That even I could spot it clear across the room

Guess who I saw today, my dear?

I've never been so shocked before  
I headed blindly for the door  
They didn't see me passing through  
Guess who I saw today?  
I saw... you
