

# Bull In A China Shop

Eye Empire

Oh what do you wanna hear man... ?  
Do you wanna hear that sometimes I think about eating a bullet... ?

Well I do...

Your ignorance fuels my rage  
Forever living in your haze  
I won't apologize  
For what's about to come  
I lose control  
It takes ahold  
Of me

Bull in a China Shop  
Breaking everything  
Breaking everything  
Bull in a China Shop  
Breaking everything  
Breaking me

My conscience tears  
At what's left of me  
Pushing me relentlessly  
Don't say anything  
Just turn and walk away  
I lose control  
It takes ahold of me

Bull in a China Shop  
Breaking everything  
Breaking everything  
Bull in a China Shop  
Breaking everything  
Breaking me

[Guitar Solo]

Bull in a China Shop  
Breaking everything  
Breaking everything  
Bull in a China Shop  
Breaking everything  
Breaking me

Bull in a China Shop  
Breaking everything  
Breaking everything  
Bull in a China Shop  
Breaking everything  
Breaking me
