

## Cool Is Dead.

Eyedeia

With your K-Mart Led Zeppelin shirt  
And your Target friendship bracelet  
Your Urban Outfitters record shelves  
And your extra large condoms  
Your dad is a grunge rocker  
Your daughter's a republican  
I would try to sleep with her  
But she's under thirty

I may be insecure but at least I'm not poor  
You fuckers should be kissin' the ground that I walk on  
You fuckers should be kissin' the ground that I walk on  
You fuckers should be kissin' the ground that I walk on  
You fuckers should be kissin' the ground that I walk on  
Because I'm so fucking cool
