

## Hard Headed

Eyedeas

(It's a lot easier to go to bed at night then fuck up... haha)

It's a lot easier to go to bed at night then get up in the morning  
To stay away from an in depth conversation cause it might be boring  
It's easier to be a tail than a head, wait!  
It's way easier to be square then be there and not be 20 minutes late  
It's easy to put on a jimmy, but easier to hit it raw  
Nowadays it's easier for kids to believe in guns than Santa Claus  
How come it's so hard to stay sober through the rough course of life?  
Forget a long-term relationship it's easier if it lasts one night  
One hour, 15 minutes cause sometimes it's hard to last long, shit  
It'd be easy to do it again but I'm not that strong  
A glass bong can easily crack  
An MC can easily say "wack MC's" 16 times within 4 bars  
It's hard to save money for my ride...  
Fuck it, it's easier to have your girl drive me around in your car  
It's easy to smoke a cigarette than it is to deal with cancer  
Test is easy if you steal the answers  
Hard to be slave  
Easy to be a master  
Easy to see who's sexy, but it's hard to resist letting your  
Hand plant a billion and ten seeds in your bed sheets  
Tell me where to urinate if you only got a pot to piss in  
And is it my position to tell the truth if I know that you won't list  
en?  
Now you're trippin, cause it's easy to fit in any religion  
When you don't know yourself and that's the only help that you're giv

Man whatever happens, happens. I don't ever sweat it  
Just let it be known: It's easy to be hard headed

Everybody grab the mic but don't know what to do  
With it but they got a ego thanks to their crew  
Tellin' them they're dope but nope I just tell 'em the truth  
MCing ain't for everyone
