

A Room Up In The Sky

Eyedress

Baby, let's hit the road
Get ready, put on your clothes
Come on, let's go to the show
Our friends are all waiting in line

At last, I'm relieved
'Cause you changed my mind
At last, we are free
To go wherever we want
In fact, I believe
In all the blessings to come
I feel so at ease
Do whatever we want

Baby, let's hit the road
Get ready, put on your clothes
Come on, let's go to the show
Our friends are all waiting in line
Meet me with a glass of wine
In a room up in the sky
In a room up in the sky

Our grass is so green
But it took some time
To make them believe
In all of my words
No ground underneath
I had to let go
Of all of my fears
So that I could float

Baby, let's hit the road
Get ready, put on your clothes
Come on, let's go to the show
Our friends are all waiting in line
Meet me with a glass of wine
In a room up in the sky
In a room up in the sky
