

Big Shoes

Eyedress

I'm too depressed to care
I'm too poor to go anywhere
I'm so alone, no one's there
I can't even tell my friends how I feel
Afraid they don't wanna hear it
Afraid they don't know
But it's alright because I'm strong
They think I'm invincible

He don't wanna work it out
Thinks he'd rather be alone
I don't know what to do
These shoes are getting way too big
I hope that I can feed my kid
I hope that I can feed my kid

She isn't even a year old
I already wanna kill myself
Hope that I can watch you grow
Hope that I don't kill myself
I hate myself
No one even calls me
But that's alright with me
I'd rather die in peace

He don't wanna work it out
Thinks he'd rather be alone
I don't know what to do
These shoes are getting way too big
I hope that I can feed my kid
I hope that I can feed my kid

I hope that I can be a man
I hope that you can understand
I'm sorry if I push you away
But you know that my heart is cold
I didn't mean to cause you pain
My words don't mean nothing
My words don't mean nothing
My words don't mean nothing
