

# Can I See You Tonight?

Eyedress

Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?

Girl I really like your style  
I really, really like your vibe  
Can I see you tonight?  
I wanna be in your arms all night  
Said I wanna be in your arms all night

Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?  
Can I see you tonight?

Can I see you  
Tomorrow, tomorrow?

I want to be your friend  
I want to be more than that  
I wanna sleep next to you every night  
I wanna wake up with you by my side  
Every day and every night  
Will you love me tomorrow?

Tomorrow, tomorrow
