

Codeine Coma

Eyedress

Waiting around
Turn the lights off
Carry me out
Nothing's right now
Head in space
Codeine coma
Hard to erase

Is it really over?
Is it really over?
I'm in my codeine coma

Well is it really over when I'm in my codeine coma?
Am I feeling heavy?
Am I feeling light?
Is it really over when I'm in my codeine coma?
Am I feeling heavy?
Am I feeling light?

Panic attack
You're not right here
Lurking the web
I found you right there
Human torture chamber
Human torture chamber
I feel it in my membrane
Am I going insane?

Is it really over when I'm in my codeine coma?
Am I feeling heavy?
Am I feeling light?
Is it really over when I'm in my codeine coma?
Am I feeling heavy?
Am I feeling light?
