

## Gone In A Heartbeat

Eyedress

Told her that I want you, but she wasn't there  
Told her that I love her, but she didn't care  
Gone in a heartbeat  
Gone in a heartbeat, yeah

She said I'd never be alone again  
Don't say you love me, baby, don't pretend  
Don't break my heart, baby, it's not the end  
Just tell me the truth, I'm not playing with you

Someday  
I'll hop on a one way  
Pack a bag and run away  
But that's not today  
One day  
I'll quit my job, do my own thang  
Workin' so hard for chump change  
Something's got to change

Told her that I want you, but she wasn't there  
Told her that I love her, but she didn't care  
Gone in a heartbeat  
Gone in a heartbeat, yeah

Told her that I want you, but she wasn't there  
Told her that I love her, but she didn't care  
Gone in a heartbeat  
Gone in a heartbeat, yeah

Am I enough?  
Feels like it's never enough

Don't say you'll go in the middle of the night  
In the middle of the night, in the middle of the night  
She was gone in a heartbeat  
Gone in a heartbeat

Don't say you'll go in the middle of the night  
In the middle of the night, in the middle of the night  
She was gone in a heartbeat  
Gone in a heartbeat
