

HOUSE OF CARDS

Eyedress

I'm not someone
You can step on
I refuse
To be mistreated
After all I've done for you
This is how you repay me
Look what you've done
Ohhh
You created a demon

I lost all my respect for you
You're not who I thought you were
Look what you've done
Ohhh
You broke my trust
You rather see me down bad
Than help my cause
