

MR NICE GUY

Eyedress

Sometimes you see me with a smiling face
But deep inside I'm feelin' blue
When you see a picture of me being happy
Just know that I've got problems too

'Cause I'm so glad but I'm so sad
It hurts inside, it's alright, we'll make it through
'Cause I'm so glad that I'm so sad
It hurts inside, it's alright, we'll make it through

You do know it's okay to uh, open up, you know [?]

You probably think I'm just a Mr. Nice Guy
But don't mistake me for being weak
If you're tryna bring me down again
[?] negativity, I just cannot believe

'Cause I'm so glad but I'm so sad
It hurts inside, it's alright, we'll make it through
'Cause I'm so glad that I'm so sad
It hurts inside, it's alright, we'll make it through
'Cause I'm so glad but I'm so sad
It hurts inside, it's alright, we'll make it through
'Cause I'm so glad that I'm so sad
It hurts inside, it's alright, we'll make it through
We're gonna make it through

I remember when you're worth enough
Sitting just too close for me
I try to show respect to everyone (I try)
But all I got was negativity
And I thought about

I just wanna be your friend
I just wanna be your friend
Be your friend, c'mon
I just wanna be your friend
I just wanna be your friend
All that I want is you
I just wanna work with you
I just wanna work with you
I just wanna work with you
I just wanna work with you
