

## No Fun

Eyedress

I don't wanna be in this city  
It's too fucked up  
I don't wanna do drugs anymore  
I'm too fucked up  
I hate myself  
Can't look at my face  
Can't stand what I've become  
Just like that  
Now, just like that  
Woo!

When [?]  
I don't give a fuck  
What you did  
You no fun  
You no fun  
You're just like everyone  
You're no fun  
You're no fun  
Yeah, no fun
