

Stay Calm

Eyedress

All you wanted me, yeah
Does she believe in me? No
I want you next to me, yeah
Please don't just talk to me, yeah

I want your love more than anything
Please don't take it from me again
Please don't take it away
Don't take it away

I need your love
Don't you ever go
I'll lose my mind
I'll tell the truth
It's in my heart it's in my eyes
I'll never lie I'll never lie
I'll never lie
I'll never lie

I want to make it right
I won't stop
I won't stop
You'll always be my love
I need you beside me
Told you how I feel
Can't you just deal with this?
I will get through the bad times with you

I need you to stay calm
I love you, I mean it

I want your love more than anything
Please don't take it away
Please don't take it away
Don't take it away
