

# Used to Be Good Friends

Eyedress

We used to be good friends  
Now you only hang with them  
What did I do wrong?  
We used to get along, so well, yeah  
I was a loyal friend  
Never did pretend  
Just because someone's nice  
Doesn't make them your friend, for life

We used to be my world  
Now you don't even show up  
When I ask you to, come around  
What happened to us?  
We used to be so fucking close

We used to be best bros  
Smoking hella bowls  
Remember that time we skated that hall  
What happened to us?  
Used to come around  
You'd ask me if I was down, to chill  
Now you got a new friend  
They're fake they just pretend

I used to give a fuck  
Before you gave up, on me  
What happened to your love?  
What happened to your trust, in me?

Just because I don't know  
Doesn't mean I won't find out  
You know I'm always getting better  
I even gave you a sweater

Do you still think we're friends?  
Or are you just going - pretend  
We used to have it all  
Now you don't even call, call me up, ugh  
Now I'm superman  
Everyone says I'm the shit, but I don't believe in them  
Because you're my bro  
Since day one, I love you more than anyone, wow

What the fuck happened to you  
We used to be so cool  
Now you're acting dumb  
Got me feeling numb
