

# Changes

**Eyefear**

So far I have travelled - My journey has ended  
The sun wills till rise and when it falls  
The moon takes it's place as the night closes in  
The silence begins and reminds me  
All over again...

Changes - guiding my path  
Changes - leading my way

I've always believed that there might be a place  
Where it never rains - but it seems to be so hard to find  
A gentle breeze stirs the night  
As long as I live I'll always hope for...

Changes - guiding my path  
Changes - leading my way
