

## Current Situation

**Eyehategod**

Trigger emotion reactor  
Day job hangs by a thread  
This place is slowly unraveling  
Cold hearted condition  
Dissolving with real problems  
Uncharted information  
Disruptive with a new voice  
Brittle edges stripped  
Handicapped by the system  
Raw joy is drowning

Facing lifelong eviction  
Melody turns into felony

Weary eyed judge is the straggler  
Hang the liar from line  
Nervousness up on the stand  
We left an emptiness  
Passion for prescriptions  
Catholic relics of mania  
A bounty of filth from heaven
