

Hurt Myself

Eyelar

So I bang my heart against the wall
'Cause I know how this ends
You tell me you love me
'Til you find somebody else
So I break myself in little pieces
'Til there's nothing left
You can't hurt me
I've already hurt myself

I would rather kill myself
Than bet my life on you
I'll push a knife through all my dreams
'Cause dreams never come true
So I break myself in little pieces
'Til there's nothing left
You can't hurt me
I've already hurt myself

Na na na na, na na na na
Na na na na na
Na na na na, na na na na
Na na na na na
Na na na na, na na na na
Na na na na na

You can't hurt me
I've already hurt myself

Na na na na, na na na na
Na na na na na
Na na na na, na na na na
Na na na na na
Na na na na, na na na na
Na na na na na

You can't hurt me
