

Think Like A Man

Eyelar

If I spend my nights crying
They say I feel too much
But if I don't bat an eyelid
You say I don't feel enough
Ooh

You look so tense, baby, how about a drink?
And you want the line but I'm changing the screen
'Cause I'm tired of hearing you say that I can't and can't and
can't

I'm better thinking like a man, ah-ah-ah
I get away with what I can, ah-ah-ah
I know that you'll never hold me back
'Cause I'll never even give you a change, ah-ah-ah
Not when I'm thinking like a man

Ooh-ah-ooh-ah-ooh-ah-ooh-ah-ooh-ah-ooh-ah
I'm thinking like a man (I've been thinking like a man)
Ooh-ah-ooh-ah-ooh-ah-ooh-ah-ooh-ah-ooh-ah
I'm thinking like a man (I've been thinking like a man)
Ah-ah-ah

You like me better when I'm smiling
But then I have to show my teeth, ah
Do what I want, no compromises
This ain't a trend, no, this is how it's gonna be
Ah-ah-ah-ah

You look so tense, baby, how about a drink?
And you want the line but I'm changing the screen
'Cause I'm tired of hearing you say that I can't

I'm better thinking like a man, ah-ah-ah
I get away with what I can, ah-ah-ah
I know that you'll never hold me back
'Cause I'll never even give you a change, ah-ah-ah
Not when I'm thinking like a man

Ooh-ah-ooh-ah-ooh-ah-ooh-ah-ooh-ah-ooh-ah
I'm thinking like a man (I've been thinking like a man)
Ooh-ah-ooh-ah-ooh-ah-ooh-ah-ooh-ah-ooh-ah
I'm thinking like a man (I've been thinking like a man)
Oh, ooh
