

1st & Last

Ez Mil

My sweetest mornings are
Made up of waking up with you
When I make you breakfast and
The kids are sleeping in their little rooms

And I remember what I was told
That if I look for a girl that
She should be like my mama
And so far in my life
I've tried my best to be good
And now I think that you're my karma

I'm just enamored by what
Has recently happened to me
Because of you
You take away the sadness
Like my family
I want you to be the 1st & last thing
I truly love while I'm
Here...

Aye
I love the way how your feet move
To feel on the sheets
Cuz I can tell tell you been doin' that
Since a kid 'fore you sleep
I'd put my boots back on
And go to war for you, see
Fill up the Christmas socks
With presents yeah you
Know how we'll be

If the shoe fits and love
Love works between us
I hope every song I make is your
Favorite like Adidas, and I'll
Bring you round the globe
When I fill up arenas
And we'll sneak out the
Back of the bus and
Not care if they leave us baby

I'm just enamored by what
Has recently happened to me
Because of you
You take away the sadness
Like my family
I want you to be the 1st & last thing
I truly love while I'm
Here...
While I'm here
