

Easy-Going Millions

Ez Mil

I haven't even learned what its like to
Live a life that I'm proud of
Where I've solved all my concerns
And I'm sure that I'm okay
But I'll make what I can earn
So I can give it to my family
Cuz I know that it's my turn
But I'm moving so slowly

Mama, I'm sorry if sometimes
I feel like giving up
Lord, can you take me to the light
If I fail her once again

Every single memory I've made
Helps me through this pain
That I've been feeling
I'll be me and I will never change
Change up for the world
Aimin' for some millions

Every single memory I've made
Helps me through this pain
That I've been feeling
I'll be me and I will never change
No, I will never change

- Nay, nay!
- Oh?
- Ano na nga ba yung ano
Yung paborito mong ano
Kanta sa Act 1 ulet?
