Into It All

Ez Mil

I'm goin' through the motions
I can't seem to figure out
I'm stuck on how she left me
Now all I can think about

Is how she used to play with
My hair even if it's tangled
I'm spirallin' through changes
And I'm not ready to get back

Into it all hoo-hoo
And I don't know what to do
If I should let me fall for you
Cuz the hurt in me still feels so new
So I'm sorry, boo
That I'm still afraid I might break your heart
If I'm not as true
As I made myself seem to you

Yeah
Babygirl, ooh

I'm stuck on a saturday goin' back and forth
In my livin' room with just nothin' to do
And I see you texted but I'll leave you alone
Even if I'm feelin' so blue

Cuz I don't want you expectin'
That I'll be there through everything
I'm spirallin' through changes
And I'm not ready to get back

Into it all hoo-hoo
And I don't know what to do
If I should let me fall for you
Cuz the hurt in me still feels so new
So I'm sorry, boo
That I'm still afraid I might break your heart
If I'm not as true
As I made myself seem to you

Yeah, I need more time
And I know love is blind
You know I care for you
But not in the way you want me to

And I know you ain't playin'
But please listen to what I'm sayin'
We're an average mistake
And I'm not ready to get back

Into it all hoo-hoo
And I don't know what to do
If I should let me fall for you
Cuz the hurt in me still feels so new
So I'm sorry, boo
That I'm still afraid I might break your heart

```
If I'm not as true
As I made myself seem to you
```

```
If I'm not as true
As I made myself seem to you
