

Ta-tara, tara tara  
Ta-tara, tara tara

Set fire to Jah life, yeah  
At ilapag mo lang ang  
Iyong mga problema  
Cuz everything will be alright, woah  
Halika't gumala tayo  
Hanggang mag-umaga

And as the sun just shines  
Right across your face  
We realize we ain't  
The type of people  
That stay in one place

Flying free like we're eagles  
Can you feel the life  
From our ethos?  
And we will be alright  
Just cuz we know  
That we can flee from  
Time just as we go

Ta-tara, tara tara  
Ta-tara, tara tara

Tara't isulong natin ang  
Ating kaluluwa  
Sa magpakailanman agos  
Ng walang pagkukunawa  
Oh so never give up on  
Your dreams baby that's  
What I want you to do  
Cuz even when the  
World tells you "no"  
I'll be here for you, yeah

And as the sun just shines  
Right across your face  
We realize we ain't  
The type of people  
That stay in one place  
(We are free, yeah)

Flying free like we're eagles  
Can you feel the life  
From our ethos?  
And we will be alright  
Just cuz we know  
That we can flee from  
Time just as we go

Ta-tara, tara tara  
Ta-tara, tara tara

Can't believe what these people

Talkin' about man
