

Panalo (Trap Cariñosa)

Ez Mil

(Like they said though:
You can take a man out the hood
But you can't take the hood out the man)

Mga kababayan, turn up

Tayo ay Pilipino
Kahit anong kulay ng balat
Isasapuso
Mapa-Tagalog, Bisaya, o Ilokano
Walang tatalo sa bagsik
Ng ating dugo
Isigaw ng malakas ang
Ating panalo
Wag nang pagusapan
Ang mga negatibong pangyayari
San mang panig ka
Nasa mundo
Kinabukasan na natin to
Panalo

Yeah
Keep runnin' ya mouth when you lyin
I stay on my business while watchin you dyin
I'm takin' my people to heights while you cryin
Bout regular livin' and that's what I'm tryna
Prove, 'stead of just lyin' in booths
1st true Filipino rapper on the news
Sit, enjoy it if ya cool
Haters can snooze
While I put my city on the map
22-double the O-longapo City no cap
Never forgettin' the street where my
Cousin would sit when we always just listen to rap
Kendrick, Em, and A\$AP with some metal
And man we would turn up with that
Been mundane till the sun came
Now I want fame like a kid in the trap, uh
Aye, I been in Spain
Spain
But the letter 'S' is silent
Pain
I'm claimin' my reign like a king
So I can water crops for survivin'
Rain rain
Go away if you trippin'
Yuh
Had a homie he was Cripn'
Cuh
Ain't got no love for the people
Who talk over songs when they
Claimin' they listen
Listen listen
These bars - never done, uh
3 stars and a sun, aye
Blue, red draped down on a flag
No we never fear none

Most of us didn't grow up with a trust fund
Know that I'm willin' to kill for a loved one
I'm on the move from a nothin' to someone
Reminding my people to shout

Tayo ay Pilipino
Kahit anong kulay ng balat
Isasapuso
Mapa-Tagalog, Bisaya, o Ilokano
Walang tatalo sa bagsik
Ng ating dugo
Isigaw ng malakas ang
Ating panalo
Wag nang pagusapan
Ang mga negatibong pangyayari
San mang panig ka
Nasa mundo
Kinabukasan na natin to, lam mo na
Woo! Panalo

Aye
Huh, aye
Kung inakala mong isang lenggwahe
Lang kayang gamitin ni Ez Mil
La kang mapapala kung ganyan ka
Magisip kay Bathala ka sisingil
Utang na galing sa loob na
Lumutang, hinain sa turon na may
Pusang sinaing sa
Mag ilokano ka tol!
Ano
Ilokano! Ilokano!
Okay

Uray no nga imbagak kinyayo
'Ti ukkinayo
Dittooy ak laeng ag-ururay no sinno
Ti agdayo
Tapno eh sang sangitam ak inte wagas
Mo nga payo
Ngata kay-kayatem nga patayeng ka
Ken atoy bayo

Sikayo nga am-amin
Lahat kayo
All of you
Ever since bata ako I've been kinda
Discriminated in my own home country
Sure, some would be like
Luh amputi puti mo... tisoy
I ain't tisoy
I'm Pinoy
And I swear that

Nobody will ever look at me the
Same way again
I'll make it to the top while I be showin
Nay-sayers and
Nanalo na ako nung mula pa na
Pinugutan si Lapu sa Mactan
At lahat ang nasaktan na
Nalaman nila na pinatay
Ang kanilang bayani

Sa karagatan ng bansa
Na pag-aari
Ng Pilipino

Despite any termoil
I'll be proud of my soil
Bakit
Kase

Tayo ay Pilipino
Kahit anong kulay ng balat
Isasapuso
Mapa-Tagalog, Bisaya, o Ilokano
Walang tatalo sa bagsik
Ng ating dugo
Isigaw ng malakas ang
Ating panalo
Wag nang pagusapan
Ang mga negatibong pangyayari
San mang panig ka
Nasa mundo
Kinabukasan na natin to
Panalo
