Huh  
Bitch, you a pussy  
Let me re-phrase in case you  
Mis-heard me  
Like when the sirens go off and the  
Police just walks up to you  
And talks you start runnin'  
Yup, you a fuckin' pussy

I'm on the come-up

I run up, you die  
In the hood you from

But shit that ain't me!  
Cuz I'm a demon  
I'm worshipped by lots of heathens  
So flirt em, I wanna see you

Like a milestone

Everything I'm doin's for fun  
So I cruise and I run in the  
Booth like I'm inhuman or sumthin'  
You loser's is bummin I'm gunnin'  
Up you fools then I'm fuckin  
Up rules like it's nothin'  
I'mma just let loose till  
You're duckin'  
I'll see you runnin'

To the very seam of the atlas  
None of your weak shit matters  
I don't ever wanna be seein' your status  
I make shit seem like it's practice  
See no damage, TO. Raptors  
Baggin' 1-2-3-4 captures  
East coast rappin, depot nabbin'  
Suck my dick ho please no askin

I got more talent than you  
Ain't no denyin the truth  
When they comparin' our shit, heh  
They think you sound like that pop singer, Puth

I know you fuckers is scratchin  
Heads "what set is this youngin be trappin'?"  
There ain't no set that I'm bangin  
But pull up to me?  
You gon' regret your own actions

You're the only loser I can picture  
Smack you with an uber giant printer  
Put me in a super saiyan filter  
Blastin' a hadouken flyin' at ya  
Cuttin' your medula dry and blistered  
Then I'm gonna snooze and find yo bitch  
Her pussy gon' be oozin' while I'm in her  
Screamin' I'm a ruler "I am hitler!"

Everything I'm doin's for fun  
So I cruise and I run in the  
Booth like I'm inhuman or sumthin'  
You loser's is bummin I'm gunnin'  
Up you fools then I'm fuckin  
Up rules like it's nothin'  
I'mma just let loose till  
You're duckin'  
I'll see you runnin'
