

Spining

Ez Mil

Make sure you get your headphones on
On God
My mind is spinning so bad
Thinkin' of you
Woh u-ah u-uh oh-oo-oo ooh

How could you run farther so easily?
Oh ooh, woahh ooh woooh
Woah wuh uh ugh uh
Wo u-ah ah-ah uuuh
Yeah yeah and
You left me with your daughters
I'm envisioning I'm dreaming
Is this all true?
Oooh uh a-a-a-ooh-o-oh u-u-uh u-u-uhuh

So at the beginning of all of it
I was really dum n shit
Tryna get away w slappin'
Trucks up in the cops n shit
Got away with all of it
In and outta my aunties house
Survival shit
My homie got caught up w the chronic
And I'm jus vibin' tryna jump the line
Hid it while I slide and grind:
Fakie-Late-Flip up for ya mind
I see the rhyme
I see the time that is flowin throwin'
Through me so vividly
I'm out my fuckin' mind
But I don't really mind
So try to clarify

How could you run farther so easily?
Oh ooh, woahh ooh woooh
Woah wuh uh ugh uh
Wo u-ah ah-ah uuuh
But you've been on land but I'm deep in water
So swim with me the waves
It's all around you
Ooh u-ah ah-ah uu-uh

Look, yeah, uh

Our broken families we fatherless
No holy water could water this
Walk through the deepest of Tartarus
And that is the reason I put my heart in this
You ain't seen shoe-glue fiends up in a parking ditch!
And livin' w mental stasis knowin' that you're a part of it!
Friends up with rental cases towin' 'em up as carcasses!
Them Oligarchy Mothafuckas NarcO'D'd the
Park outta you narcissistic tric-diggaz
You sparkly little bitches
Actin' like some sticc figgaz
I was thrown out so much times

So fuck whatever u thinkin'
I din't want my dads to find
The shit I need to keep hidden
Cuz I ain't wanna see they eyes
With my beans as they just spill em
Bout what we 3 do outside
If it ain't Amir & Peter
It's Kyle & Carl, EKC
Danny boy up wit dem Soys
W a ploy to crushin' sum tree
'Member Josher with that noise
Up in Virgo and Aries St
And you know we gots them toys
Yea you don't wanna play w we
But still...

How could you run farther so easily? (How could you!?)
Oh ooh, woahh ooh woooh
Woah wuh uh ugh uh
Wo u-ah ah-ah uuuh
I think I'm you when I don't wanna be bothered
Is there a remedy for this?
And what do I do?
Ooh u-ah ah-ah uu-uh
(Please tell me)

How could you run farther so easily?
Oh ooh, woahh ooh woooh
Woah wuh uh ugh uh
Wo u-ah ah-ah uuuh
You left me with your daughters
I'm envisioning I'm dreaming
Is this all true?
Oooh uh a-a-a-ooh-o-oh u-u-uh u-u-uhuh

Meron pa ba?
Eh mukhang wal-
