

Superly Real

Ez Mil

(Ah yung, parang yung rak en rol
Parang yung daddy mo
Ah okey okey)

Ooh baby
Thinkin' of you just to
Get me through the night
Ooh
When you wake up I hope
That we don't fight
Ooh ahh
If ya do, we'll make up
And I know we'll be alright
Baby, we'll be alright
So loosen up girl
Don't be so uptight

Baby
Can you entertain me
Jus maybe
Cuz recently our days
Been rainy baby
Come save me
Baby, do what you want
Cuz you're my lady
Just take me! to the
Deepest part of your
Heart, I know I'm crazy
So leave it at that

And now I'm in love
And it's meant to be
And I think I'm stuck
But it's bitter sweet
Simple and true
Yeah, that's how I feel
And I think it's you
But it's superly real
Ooh yeah

Girl, you drive too crazy
That I might die
Leave me totally lifeless
Said you actually pick
Your clothes quickly
That's a lie
Uh, like a
Like I told you get my
Business suit ready
Baby, where's my tie
Uh, where oh where
Oh, but I
But I'd never trade you off
For anything cuz you're mine

Baby
Can you entertain me? hey!

Jus maybe!? hey!
Cuz recently our days
Been rainy baby! hey!
Come save me! hey!
Baby do what you want!
Cuz you're my lady hey!
Just take me! hey!
To the deepest
Part of your heart
I know I'm crazy! hey!
So leave it at that...

Now I'm in loo
Ooh ooh ooh

And now I'm in love
And it's meant to be
And I think I'm stuck
But it's bitter sweet
Simple and true
Yeah, that's how I feel
And I think it's you
But it's superly real

Now I'm in love
And it's meant to be
Meant to be!
And I think I'm stuck
But it's bitter sweet
Ooh, bitter sweet baby!
Simple and true
Yeah, that's how I feel
That's how I feel!
And I think it's you
But it's superly real!

Aye bro, aye bro!
Hold up, hold up, hold up, hold up
You gotta hurry!
I still gotta pack my cords to the truck!
Aight, aight, aight
Heh, where's the cookout though?
