

The Long Run

Ez Mil

You know I kinda feel like (Oh, yeah, yeah)
Some people still doubtin' me, you feel me? (Ooh, yeah, yeah)
But that's aight (Ooh-oo-oo)
I'ma just prove it again (Yeah, yeah)

Yuh, PH, USA, Dubai, and now London, I love it (I love it)
Got some family down in southern of sutton who run it (Run it)
Was just a runt in a bucket but now I'm stuntin' these hunnids
While that bum is still runnin' out on his luck 'cause he front
in' (Haha)
I shouldn't meddle with your business in fact 'cause it's stink
y (Stink)
I got some YGs and OGs back at home who uplift me (Lift)
We used to politic all about all the ounces to tricky
And now I'm bouncing through cities like I'm Bukowski but gritt
y, uh
Look, you shoulda just told me that you was no longer on
So you would've avoided those death threats that you got back a
t home
Now I'm runnin' for emperor, the type you cannot dethrone and b
ecause

They don't wanna show me no love
But I don't need nobody's approval
I got my own set of rules, I hold up
Now I'm on one, I'll be on the long run

You know I'll be on the long run will never get bullied by no b
um
We gettin' the milli, we go dumb that blicky for really that lo
ng drum
Float like a eagle within the desert with a fifty A-
E in my parachute
Flow so illegal, you know I'm better and you'll never make me b
ecome scared of you
Don't try to interrupt, I'm talkin', you see these GVs they be
glossin'
I know you vloggers you be stalkin' 'cause I actually walk the
talk, I'm talkin'

I been tryna crack this cage, I'm in
'Cause I feel that the walls might cave on in
So stuck in my ways so here I vent
But then again

They don't wanna show me no love
But I don't need nobody's approval (Don't need nobody's approva
l)

I got my own set of rules, I hold up (Yeah)
Now I'm on one, I'll be on the long run (Long run)
They don't wanna show me no love
But I don't need nobody's approval (Don't need nobody's approval)
I got my own set of rules, I hold up (I hold up)
Now I'm on one, I'll be on the long run (I'll be on the long run)
