Ezhel

(Yeah, yeah)

(Yeah, na-na-na, na-na-na, na-na-na)

Yeah, face too bait, I can't take this Snap (Yeah)  
Put two-fifty on the whip 'cause I know I can make it back (Skrrt)  
They think I'm moving drugs, someone tell 5-0 that I pay my tax (Hahaha)  
Jump in the Maybach truck, treat Manchester like a racing track (Phew)  
Yeah, went from Moston to a mansion (Yeah)  
Got groupies thinking I'm handsome (Yeah)  
Know I soon got use to the action (Hahaha)  
Yeah, now I'm all-incluse' with a random  
Tryna mix this juice with a Magnum  
Get back hit the booth with a platinum (Woo)  
Used to walk round ends with Z's in the bag  
Now I don't do nothin' but get to the bag  
Rule one, let no one mess with the bag (Trust)  
Yeah, talking M-town, then I'm the best of the batch  
Been dizzy all week from spinning MCs  
So I came in a Range and I left in a cab

Bridges, bridges are fallin' down  
Fallin' down upon my crown  
I'll be here, here for a while  
While I'm here, I'll be chillin' with the crowd, yeah  
Bridges, bridges are fallin' down  
Them fallin' down upon my crown  
I'll be here, here for a while  
While I'm here (Yeah), I'll be killing all the sound, yeah

I'm chillin' with babas in Londron  
I'm chillin' with Turkish girls with perfect curls, tam tarzım  
Ama prize girmez şarjım  
Ankara, Berlin mahalle, olur her yer başkent (Ah)  
Kimseye eğilmedim çünkü eğildim yaşken (Ya)  
I came from simit, ayrans and poğaças  
Now I have minibar treats in Shoreditch  
Yedi bin beş yüz lira idi borcumuz  
Ödedim yeni eve mortgage  
O günler hiç unutulur mu ki? Asla  
Yeni vize, UK, Deutschland, Fransa  
Business bilet, Lufthansa, bilakis bırakmam şansa  
Ariyor banka yolunda talip, boynumda salib  
Et beni günahıma galip Rab'  
Uzun mesaim, yine de hâlim var, yapılacaktır daha icraat  
Başkentlim, ey çek yanında Aitch  
Cüzdanımda paycheck, hundred kağıt  
Hundred thousand, o az'cık dağıt  
Yaptık, kapattık, açtık çağ, yeah

Bridges, bridges are fallin' down  
Fallin' down upon my crown  
I'll be here, here for a while  
While I'm here, I'll be chillin' with the crowd, yeah  
Bridges, bridges are fallin' down  
Them fallin' down upon my crown  
I'll be here, here for a while  
While I'm here, I'll be killing all the sound, yeah
