Ezhel

(Nobody can catch me)
(Man, I feel like Leonardo)
(Remember, see you and I go)
(Watch me take off)

(All around the globe)
(I gotta get it, estimado)
(Cry, smooth)

I wake up blessed
As I get vexed and deal with stress
I come back fresh
You know that shit gets worse, that's how it works
I switched to next biz

Me and my Turks, we swerve
36 Berlin Herz verletzt, aye
They have no Kai codes
But I have the rightfuls to hear your final breath

Manitam rail, like peace in Middle East
She's hard to find
Everyone wants that fame, but it got two sides
Slot me, spot me in my favorite spot, my spady
Mama said, "Don't rap, baby"
Thank God that did not persuade me

Know our holla as we come through
Ich mach Para, ich mach Flouz

Başka tür dünya ve, wir haben es geschafft
Demediğin kalmadı bebe WhatsApp
Hala ilk günkü gibisin kesat
Sekiz kat fazla euroyla hesap

Tüm alemi gezdim konuşur elalem rahat ol
Düşman dolu sağ sol, yapar hesap
Umursayamam sizleri bak tüm alem rahat bro
İncittiysem pardon sözüm kezzap

Demetevler, Cebeci ve Küçükesat
Oynarım kaderle, kader olur beş taş
Uyursunuz uyanıkken beyninizde narkoz
Anlamanız daha zor sürgiysem esrar

Kein Girl, Dicka, drei Uhr Nachts
My word, we don't sleep that much
Am Tief mit meinen Shababs
Young Gs ain't givin' no fucks

6-5 to the 0-3-0
Zone one nigga got a couple post-codes
Plus, I really live the shit that I rap
Been 'round the globe, pin on the map

I drop that thing like I don't want it
If I hit you, I bet you ain't no want it
If I met you, you did then done come on in
