

## Not A Day

EzheI

When I tried I got my heart right  
Climb to the top down here to be  
Not a day goes by without fight  
Holding on what's there for me  
Eye for an eye they want  
Until everyone lose sight  
I realize your lie  
Not a day goes by

Blessings and money I count  
Try their luck and pull the plug  
But my light won't die down  
Don't say a word

Blessings and money I count  
Try their luck and pull the plug  
But my light won't die down  
Don't say a word

Run to where them run from  
You don't know where I come from  
Your prayers stay unanswered  
Cah we will never come down  
Morning light to sun down  
Bust a blank, gun sound  
Many more than one round

When I tried I got my heart right  
Climb to the top down here to be  
Not a day goes by without fight  
Holding on what's there for me  
Eye for an eye they want  
Until everyone lose sight  
I realize your lie  
Not a day goes by

Oh, what a rat race, I face hate  
So many things I need to check mate  
My bread breaks  
Unconditional love is pathway to next days out of this bad place  
Lets stay together can't we?  
Exactly, because so far  
We still suffer  
Blessed by ignorance, no we can't even be friends  
They control us to drain each other  
To use over and once again

When I tried I got my heart right  
Climb to the top down here to be  
Not a day goes by without fight  
Holding on what's there for me  
Eye for an eye they want  
Until everyone lose sight  
I realize your lie  
Not a day goes by

No love, no love

For bad energy  
No energy, energy  
For my enemies  
No love, no love  
For bad energy  
No energy, energy  
For my enemies

When I tried I got my heart right  
Climb to the top down here to be  
Not a day goes by without fight  
Holding on what's there for me  
Eye for an eye they want  
Until everyone lose sight  
I realize your lie  
Not a day goes by

Na na na na na, na na na  
Not a day goes by  
Na na na na na, na na na  
Not a day goes by

Na na na na na, na na na  
Not a day goes by  
Na na na na na, na na na  
Not a day goes by
