

Boredom

EZI

When you're having fun (fun)
When you're having fun (so much fun)
Fly out the window and go (go, go, go)

Find some time
Find some time to do something
Find some time
Find some time to do something
Find some time
Find some time to do something
But what?

Boredom got a new best friend (Boredom, boredom)
Boredom got a new best friend (Boredom, boredom)
Boredom got a new best friend (Boredom, boredom, oh, oh, oh)
