

I'm Fine

EZI

Oh no, here we go again
The sun is set, the ground is wet
And you don't know how to arrive on the other side
When it's in your heart, it's all in my head, but

"F" is for falling deeper than I ever planned
"I" is for all the times "I love you" still made sense
And the "N" is for never going back to you again
As the "E" is for every time you never let me in

I was fine (I was fine)
I'm just fine (I'm just fine)
I'm doing fine (I'm doing fine)
Ask me why
Never mind
I'm doing fine

Here we go again
Faking what I can
Here we go again
Faking what I can

And baby, I can see through all the lies
We play it off, but lately I'm not sure
Hate how we go too far, never say how we are
Bend 'til we break again, don't wanna stay like this

"F" is for falling deeper than I ever planned
"I" is for all the times "I love you" still made sense
And the "N" is for never going back to you again
As the "E" is for every time you never let me in

I was fine (I was fine)
I'm just fine (I'm just fine)
I'm doing fine (I'm doing fine)
Ask me why
Never mind
I'm doing fine

Here we go again
Faking what I can
Here we go again
Faking what I can
