

## Been So Strange

Ezra Furman

I've been here for so many years  
I've been here for so many years  
And I've been down down down  
And I've been down down down  
I've been down down down underneath your town  
I'm just down down down

I haven't grown or changed one bit  
I haven't grown or changed  
I haven't grown or changed  
I haven't grown or changed  
I haven't grown or changed and I've been so strange  
I haven't grown or changed

I am gonna meet my God  
Someday I'm gonna meet my God  
I'm gonna meet my God  
I'm gonna meet my God  
I'm gonna meet my God on the day of the dog  
I'm gonna meet my God

Can't touch me now  
No boys, you can't touch me now  
Please touch me now  
You can't touch me now  
You can't touch me now, can't take me down  
You can't touch me now
