

## Stomp And Shake (Crystal Lake)

f.k.ü.

The man behind the mask  
To slaughter and to maim that is his task  
Innocent youth down the lake  
Mother says their lives he's gotta take  
One thing you cannot trust  
Is a man with a machete in his hand  
Get the fuck out, he's not a goalkeeper  
It's Jason Vorhees with an urge to kill
