

You Stink

f.k.ü.

A far hairy bitch who stands in my way
If she died I wouldn't give a fuck anyway
I see her pushing and a shoving
and she's sweaty and she smells bad and she
takes up too much space I've got to kill her now

YOU STINK! I should kill
YOU REEK! You should die
YOU STINK! I should kill
YOU REEK! Kill Kill Kill!

A far hairy bitch who stands in my way
If she died I wouldn't give a fuck anyway
I see her pushing and a shoving
and she's sweaty and she smells bad and she
takes up too much space I've got to kill her now

YOU REEK! You should die
YOU STINK I should kill
YOU REEK! You should die
YOU STINK! Die Die Die!

DUG-OUT SUCKS!
DUG-OUT SUCKS LESS!
