

Last Journey

F.O.B.

What am i feeling?
What is the matter
With my body
Dead angels are coming
- infection
- mind whiping
- satisfaction
Another world

Falling into ruin
Are my thoughts
Body coruption becoming
I'm only piece of flash
- infection
- mind smashing
- satisfaction
World of shadows

Ref: Mum please don't leave me, father stay with me
I pray for one day, I don't want die.
