

## In My Mind

F. R. David

You are in my mind

I got the feeling you got me dreaming  
It's so fast for me baby  
I need some time cause right now

You're in my mind you're my mind  
And I can't denie it  
You're in my mind you're in my mind  
But you're not in my heart  
You're in my mind you're in my mind  
But you not yet in my heart

The way you kiss me  
Don't have that needing  
No heart feeling baby  
But this is how I see it

Just knowing it's not fair  
I'm sleeping in your warm ways  
If I could oh I should  
Just turn around and go my way anyway
