

Out of Love

F.T Island

I just fell out of love
You were my all
Now it's all gone

I'm moving to brand new
On to the next you
Sorry but there's no second chance
mangseoriji ma nunmuri
malla ganeun geon sasirinikka

No no natanaji ma
go away sarajyeojullae
No way useojul geoya
jeoldae neol chajji anheul geoya

Sick of all the lies
Crashing down we go
I just fell out of love
You were my all
Now it's all gone
ijen neoreul jiwo
naega sara sum swige
dareun sarang manna
deo haengbokhaejilge

I'm sick and I'm tired
Going nowhere
Sorry but there's no me and you
jeomjeom michyeoga chueoge namgyeojyeo
ganeun naega silheojyeo

No no natanaji ma
go away sarajyeojullae
No way useojul geoya
jeoldae neol chajji anheul geoya

Sick of all the lies
You'll just do it again
Sick of all the lies
Crashing down we go

I just fell out of love
You were my all
Now it's all gone
ijen neoreul jiwo
naega sara sum swige
dareun sarang manna
deo haengbokhaejilge

I don't care anymore
You had my heart
You had my soul
ijen nareul jiwo
nado jiwobeorilge
dareun sarang manna
deo haengbokhaejilge

I just fell out of love
You were my all
Now it's all gone
ijen neoreul jiwo
naega sara sum swige
dareun sarang manna
deo haengbokhaejilge
