

Take Me Now

F.T Island

Before I lose my mind
before I'm lost in lies

moduga duryeowo
dagaseoji anha

Tell me where to go
nae momeul umjigyeo
Tell me where to go
jakkuman sarajyeo

amuri oechyeodo boiji anhneungeol
amuri oechyeodo daedabi eopneungeol

Where is the truth?
I'm trying to find my
I'm trying to find my way

I don't need you
Sometimet I'm crazy
Sometimet I'm lost
but I will find the answer

Take me now
Trust me now
Break me down

Take me now
Trust me now
Break me down

Until I'm gone and free
Until I finally see

neukkyeojigo isseo
meolji anhdaneungeol

Tell me where to go
nae momeul umjigyeo
Tell me where to go
jakkuman sarajyeo

eolmana geollyeodo meomchul su eopsneungeol
nuga mwora haedo meomchul su eopsneungeol

Where is the truth?
I'm trying to find my
I'm trying to find my way

I don't need you
Sometimes I'm crazy
Sometimes I'm lost
But I will find an answer

Take me now
Trust me now
Break me down

Take me now
Trust me now
Break me down

Where is the truth?
I'm trying to find my
I'm trying to find my way

I don't need you
Sometimes I'm crazy
Sometimes I'm lost
But I will find the answer

Where is the truth?
I'm trying to find my
I'm trying to find my way

I don't need you
Sometimes I'm crazy
Sometimes I'm lost
But I will find the answer

Take me now
Trust me now
Break me down

Take me now
Trust me now
Break me down
I will find the answer

Take me now
Trust me now
Break me down

Take me now
Trust me now
Break me down
I will find the answer
