

# Candy Store

Faber Drive

I can't wait another night to see you  
Gotta satisfy my sweet tooth  
A little like Reeses fallin' into pieces  
Tell me there's a way to do this  
I just wanna kiss your hot lips  
Girl you make me melt like chocolate  
Jawbreaker, you got the kiss that I wanna savour

Oh, oh, oh, oh  
Lifesaver, you're my Lifesaver  
Oh, oh, oh, oh  
You got the love with a thousand flavours

Oh, oh, oh, oh  
And I really want mo-o-o-ore  
I know your love is such a sugar rush  
And I can never get enough  
I'm like oh, oh, oh, oh  
And I really want mo-o-o-ore  
Yeah honey  
You're the sweetest thing I've ever seen before  
I'm like a kid in a candy store

Baby I'm love sick  
I just gotta get my next fix  
Pour a little sugar on this  
Heartbreaker, you be the dough  
And I'll be the baker  
Mr Christie never knew  
A recipe as hot as you  
You're Rihanna, I'm Eminem  
Melt in your mouth, not in your hands

Oh, oh, oh, oh  
Lifesaver, you're my Lifesaver  
Oh, oh, oh, oh  
You got the love, you got the good flavour

Oh, oh, oh, oh  
And I really want mo-o-o-ore  
I know your love is such a sugar rush  
And I can never get enough  
I'm like oh, oh, oh, oh  
And I really want mo-o-o-ore  
Yeah honey  
You're the sweetest thing I've ever seen before  
I'm like a kid in a candy store

How you doin' sugar  
You're sweeter than dessert nice to meet you  
The name is Ish, I'll admit it I gotta sweet tooth  
But that's ight, I promise that I won't bite  
Girl, unless that's something that you're into  
I'm playin', I'm sayin' you're with it in the song  
And there ain't no competition  
You're in a league of your own  
Gotcha hooked soon as I get you alone

You could bet that  
Now break me off a piece of that kit-kat

I can't wait another night to see you  
Gotta satisfy my sweet tooth  
Lifesaver, you got the kiss with a thousand flavours

Oh, oh, oh, oh  
And I really want mo-o-o-ore  
I know your love is such a sugar rush  
And I can never get enough  
I'm like oh, oh, oh, oh  
And I really want mo-o-o-ore  
Yeah honey  
You're the sweetest thing I've ever seen before  
I'm like a kid in a candy store  
Oh, oh, oh, oh  
And I really want mo-o-o-ore  
I know your love is such a sugar rush  
And I can never get enough  
I'm like oh, oh, oh, oh  
And I really want mo-o-o-ore  
Yeah honey  
You're the sweetest thing I've ever seen before
