

# Lost In Paradise

Faber Drive

Just driving on my way back home  
It's dark and it's pouring  
I know you're sitting all alone  
And you're waiting for me  
I'm thinking 'bout you, thinking 'bout me  
And it's driving me crazy  
Why, why we still here, let's disappear  
So come on baby

Let's go tonight  
Cause we gotta run away, we gotta get away  
I know you won't think twice  
Cause you're unbelievable  
Let's go and see the world  
Sail out on the ocean  
Don't know where we're going  
We can watch a sunset  
And baby we can both get  
Lost in paradise

It seems like it's the same old thing  
Every single day now  
I'm tired of the same routine  
And I'm trying not to freak out  
I'm dreaming 'bout you, dreaming 'bout me  
And it's driving me crazy  
Why, why we still here, let's disappear  
So come on baby

Let's go tonight  
Cause we gotta run away, we gotta get away  
I know you won't think twice  
Cause you're unbelievable  
Let's go and see the world  
Sail out on the ocean  
Don't know where we're going  
We can watch a sunset  
And baby we can both get  
Lost in paradise

Oh, let's leave it all behind  
I'm not gonna change my mind  
Cause I got you and that's all I need  
I'm thinking 'bout you, thinking 'bout me  
So come on baby

Let's go tonight  
Cause we gotta run away, we gotta get away  
I know you won't think twice  
Cause you're unbelievable  
Let's go and see the world  
Sail out on the ocean  
Don't know where we're going  
We can watch a sunset  
And baby we can both get  
Lost in paradise
