Time After Time

Faber Drive

Lying in my bed, I hear the clock tick and think of you
Caught up in circles, confusion is nothing new
Flashback, warm nights almost left behind
Suitcases of memories

If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time
Time after time

Sometimes you picture me, I'm walking too far ahead
You're calling to me, I can't hear what you've said
Then you say, "Go slow", I fall behind
The second hand unwinds

If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time

If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time
Time after time
