Kick the bass and pitch it up
Watch me bounce back and get the groove into this bitch
Now watch me turn up when I switch it up
Kick the bass and pitch it up
Watch me bounce back and get the groove into this bitch
Now watch me turn up...

Now watch me turn up when I

Bounce, bounce, bounce, bounce back
Bounce, bounce...
Bounce, bounce, bounce, bounce back
Bounce, bounce...

Now watch me turn up when I switch it up
Kick the bass and pitch it up
Watch me bounce back and get the groove into this bitch
Now watch me turn up when I switch it up
Kick the bass and pitch it up
Watch me bounce back and get the groove-

Bounce, bounce, bounce, bounce back
Bounce, bounce...
Bounce, bounce, bounce, bounce back
Bounce, bounce...

Now watch me turn up when I switch it up
Kick the bass and pitch it up
Watch me bounce back and get the groove into this bitch
Now watch me turn up when I switch it up
Kick the bass and pitch it up
Watch me bounce back and get the groove into this bitch
Now watch me turn up...

Now watch me turn up when I

Bounce, bounce, bounce, bounce back
Bounce, bounce...
Bounce, bounce, bounce, bounce back
Bounce, bounce...

Now watch me turn up when I switch it up
Kick the bass and pitch it up
Watch me bounce back and get the groove-

Bounce, bounce, bounce, bounce back
Bounce, bounce...
Bounce, bounce, bounce, bounce back
Bounce, bounce...

Now watch me turn up when I

Bounce, bounce, bounce, bounce back
