

# LOUD

Fabian Mazur

They can't handle how loud we get  
We keep bumpin that bouncy shit  
Run it up, let's get down to this  
Tell em  
They can't handle how loud we get

They can't handle how loud we get  
We keep bumpin that bouncy shit  
Run it up, let's get down to this  
Tell em  
They can't handle how loud we get

We' about to get loud

They can't handle how loud we get  
They can't handle how loud we get

They can't handle how loud we get  
We keep bumpin that bouncy shit  
Run it up, let's get down to this  
Tell em  
They can't handle how loud we get

We' about to get loud

They can't handle how loud we get  
They can't handle how loud we get

They can't handle how loud we get  
They can't handle how loud we get
