

Overdose

Fabian Mazur

I got that drink in my system
I keep on going till I overload
I don't need no keys for that ignition
I just push the pedal then I go for broke

Push the pedal till I overdose
Push the pedal till I overdose
Push the pedal till I overdose

I got that drink in my system
I keep on going till I overload
I don't need no keys for that ignition
I just push the pedal then I go for broke

Push the pedal till I overdose
Push the pedal till I overdose
Push the pedal till I overdose
Push the pedal till I overdose
